Lifetrack Medical Systems is a Singapore headquartered health-tech company that has developed and deployed the first scalable, distributed medical imaging software designed for affordable access in emerging markets. Our Lifetrack PACS platform is used by large healthcare chains, public health systems, and radiology group practices to scale their radiology operations seamlessly, without the pain or cost of legacy medical imaging software. Lifetrack PACS is now serving hundreds of thousands of patients annually across Southeast Asia, South Asia, Africa, the United Kingdom, and the United States.

Lifetrack's mission is to build simple, elegant, powerful, and intuitive software platforms for the entire healthcare ecosystem, starting in medical imaging in emerging markets, where the needs are greatest and the resources are scarcest. We are trusted and backed by the Asia Impact Investment Fund of the UOB Group and Credit Suisse, the corporate VC arm of Philips Healthcare, and Kickstart Ventures of the Philippines' Ayala Group
